TERMS OF DEPOSIT

When you pick out one of our puppies, the puppy will be placed on hold-pending deposit. The deposit must be received within 4 working days, or the puppy will be placed back up for adoption. When the deposit is received, the puppy will be listed as "sold". The deposit can be in the form of cash, USPS Money Order, or we can accept your credit card through Paypal. (If using Paypal - please add 3.5%. Please note: No chargebacks will be honored or issued through Paypal for any reason.) Checks can be accepted for deposits only. If the deposit is being mailed, it must be sent via Priority Mail with a return receipt.

Deposits to hold a puppy are one-half the purchase price of the puppy, unless other arrangements are made. Please be sure you are committed to purchasing a puppy, as deposits are NON-REFUNDABLE, but can be held up for 1 year and applied toward a future puppy. After 1 year, all monies will be forfeited.

For puppies being shipped, the balance due, including all costs associated with shipping, is due at the time the puppy is 7 weeks old. This allows us time to prepare for the puppy's trip.

For puppies being picked up, the balance is due when the puppy goes home. Monies may be received in the same form as stated above, but no personal checks will be accepted for the final balance due payment.

Shipping costs are the sole responsibility of the buyer. Shipping generally runs \$275.00, but can be more depending on location and the time of year.

A signed Deposit Form and Contract/Guarantee Form MUST accompany your deposit. I will sign the deposit form, and immediately mail a signed copy back to you. I will also sign the contract/guarantee and send it with your puppy's papers.

Unless other arrangements have been made, if Cherished Shih Tzu does not receive the full purchase price (including shipping costs) by the time the puppy is 8 weeks old, the deposit will be forfeited, and the puppy will be placed back up for adoption.

****Deposits will be fully refunded, in a timely manner, if for any reason your puppy becomes unavailable due to the fault of the seller, ie; illness or death of the puppy.**
