Stud Service Contract for Cherished Shih Tzu

Stud Requested is: _____

The fee for stud service is \$500.00

Fee must be paid in CASH at the time the service is rendered. Service is considered "good" when a tie has taken place.

If the dam for some reason does not become pregnant, *Cherished Shih Tzu* will provide stud service (with the same stud) on her next heat for no charge.

If you would prefer, we would provide the second stud service on a different female (if the first female does not become pregnant) of your choice.

Cherished Shih Tzu is willing to waive the stud fee in lieu of FIRST pick of the litter. We reserve the right to either keep or sell the puppy we pick.

Cherished Shih Tzu uses only proven studs. If for some reason the stud does not seem interested in your female, then the female is either too early in her heat cycle, or too late. We are more than happy to have your girl stay with us, or for you to come on a later day. If you decide to leave your girl with us, we GUARANTEE that your female will only be allowed with the stud of your choice. We will take a photo if a tie takes place in your absence, so you can feel reassured.

Cherished Shih Tzu will provide up to three (3) ties (on consecutive days) between the dam and stud.

Cherished Shih Tzu reserves the right to refuse stud service to anyone for any reason.

Only AKC Shih Tzu will be allowed stud service. (Please bring your papers with you.)

You will need proof of current vaccinations when you bring over the dam.

No other guarantee is implied, other than what is written in this contract.
